

Basement Remodel Pricing Guide

Expand Your Living Space with Style and Function

At Rise Up Renovations, we transform basements into beautiful, functional spaces that enhance the value of your home. Whether you want to refresh a previously finished basement or completely overhaul an unfinished space, our tailored packages ensure your basement remodel meets your needs in both style and functionality.

Our basement remodeling services cater to basements of varying sizes, typically 600-1,000 square feet, and all pricing includes high-quality materials and professional labor for a seamless renovation experience.

Basement Refresh: \$20,000 - \$30,000

Give Your Previously Finished Basement a Modern Update

This package is ideal for homeowners with previously finished basements who want a quick refresh. It focuses on updating and modernizing your space without major structural changes.

What's Included:

- Drywall patching and repair throughout the finished space
- Removal of carpet or existing plank flooring, with installation of high-quality LVP (Luxury Vinyl Plank) or carpet
- Updated lighting fixtures for a brighter, more modern look
- Fresh paint on walls, ceilings, and trim for a complete refresh
- Updated outlets, switches, and cover plates for a clean, polished finish

Perfect for homeowners who want to modernize their basement without a full remodel.

Essential Upgrade: \$35,000 - \$50,000

Complete Overhaul for Unfinished Basements or Major Renovations

This package is designed for those with unfinished basements or for homeowners looking to completely overhaul their existing space. It includes essential updates to bring your basement up to modern standards, creating a functional, beautiful living area.

What's Included:

- All features of the Basement Refresh
- All-new insulation and drywall for a complete rebuild
- High-quality flooring options, including LVP, engineered wood, or carpet
- Recessed lighting and outlets to meet code requirements
- Custom built-ins and storage solutions to maximize space
- New trim, doors, and stairway finish (LVP or carpet) with a new handrail for safety and style

This package is ideal for homeowners looking for a complete transformation of their basement.
